EDUCATION

Tulane University

Expected May 2027

Bachelor of Arts | New Orleans, LA | Major: Communications | Minor: Strategy, Leadership, and Analytics

Relevant Coursework: Public Relations, Strategic Communication, Media Writing, Organizational Leadership, Data Analysis for Decision-Making

ACADEMIC PROJECTS

PR Campaign – Youth Empowerment Project (YEP)

Fall 2025

Tulane University | New Orleans, LA

- Developed a comprehensive PR plan for YEP, a local nonprofit, including media pitches and event promotional strategy.
- Researched audience demographics to maximize community engagement for a fundraising luncheon.
- Gained hands-on experience in strategic communication planning and campaign execution.

Investigative Report – Education Reform in New Orleans

Spring 2026

Tulane University | New Orleans, LA

- Wrote a long-form report on how Hurricane Katrina transformed New Orleans' public schools into a charter model.
- Conducted original interviews with educators and community members; used archival sources to build a policy timeline.
- Synthesized qualitative and archival research into a narrative on education equity and systemic reform.

Consumer Insights Campaign

Marketing Project

- Designed a mock campaign for a sustainable skincare brand, including audience research and customer personas.
- Developed a campaign strategy, content calendar, budget, and presented findings via a pitch deck.

Social Media Analytics Project

Analytics Project

- Evaluated engagement across Instagram, TikTok, and YouTube using spreadsheet analysis.
- Converted findings into charts and strategic recommendations for future content.

EXPERIENCE

Reading Tutor – STAIR (Start the Adventure in Reading)

Aug 2025 – Dec 2025

New Orleans, LA

- Provided one-on-one reading tutoring to 2nd graders; developed lesson plans tailored to individual reading levels.
- Tracked student progress and adapted strategies to ensure measurable improvement over the semester.
